

Best Practice

The work of the Pet Responsibility Committee is a recognized "best practice" across NC where we have conducted:

- Two workshops for the NC Department of Agriculture, Animal Welfare Section and Spay/Neuter Program
- Two sessions at NC Animal Rabies and Control Association Conventions
- Session at RESCUE ME! Conference!
- Two sessions at NC School Counselors' Association Conventions
- Consultations with 23 NC counties on Pet Responsibility Program – several programs now underway in other counties

Having an impact:

The efforts of the Pet Responsibility Committee in combination with the work of The Spay and Neuter Veterinary Clinic of the Sandhills have reduced intake at The Animal Center of Moore County from over 5,000 in 2008 to just over 3,000 in 2014.
